Faces

Sauntering the pavement, or riding the country by-road-lo! such faces!

Faces of friendship, precision, caution, suavity, ideality;
The spiritual, prescient face-the always welcome, com-
mon, benevolent face, The faces of the singing of music
— the grand faces of natural . . .

How do you start this thing?

I didn't punch that doggie!!!

No, I wasn't copying his program!!

Holy Halloween!! It's the Dynamic Duo!!

A Dream Becomes a Reality

Pep rallies give NQ students a chance to show their support and spirit for school teams. The fall rally for the boys' soccer team was no exception. Led by the cheers and applause of their fellow classmates, the boys were given an extra boost going into the tournament.

Last year after missing the tournament by two points, this year's seniors decided that they were going to be in the tournament. John Joseph, Jamie Paz, Joe LaPierre and Steve Golden started to begin this year's practice the day after missing last year's tournament. They knew that through hard work and determination they would be in this year's tournament.

With the leadership of tri-captains, Terry Stark, Jamie Paz, and Dave Brown, the team worked hard all season to come within reach of its goal. Throughout the entire season, all of the players made a dedicated effort to turn their dream into a reality. All of this work paid off for them when they became Suburban League champs and tourney bound!

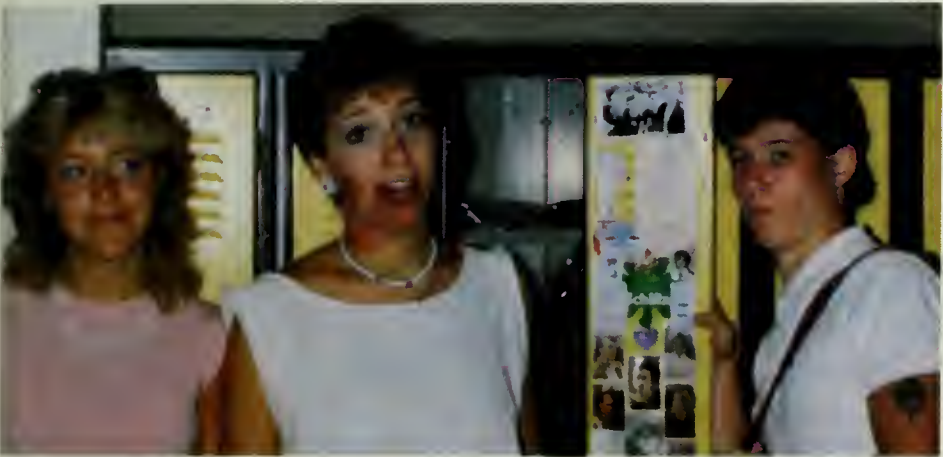

A towering effort

The Little Drummer Boy.

Lawyers and judges, broad at the back-top; the faces of hunters and fishers, bulged at the brows — the shaved blanced faces of the orthodox citizens; The pure, extravagant, yearning, questioning artist's face; The ugly face of some beautiful soul, the handsome detested or despised face; The sacred faces of infants, the illuminated face of the mother of many children; The face of an amour, the face of veneration; The face as of a dream, the face of an immobile rock:

Who, me?

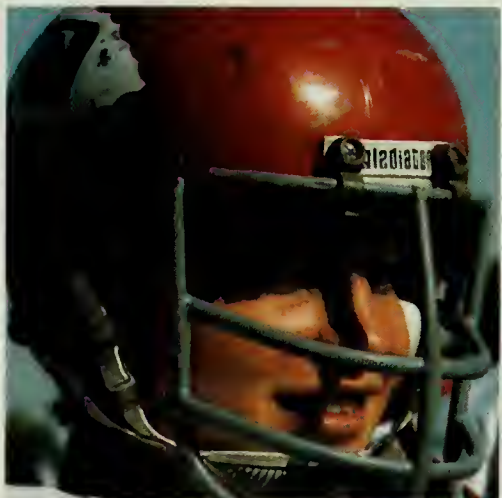

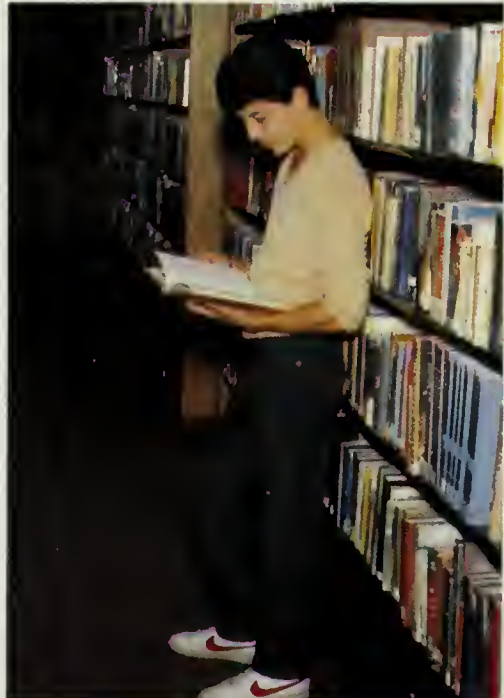

The face withdrawn of its good and bad, a castrated face; A wild hawk, his wings clipped by the clipper; A stallion that yielded at last to the thongs and knife of the gelder. Sauntering the pavement, thus, or crossing the ceaseless ferry. Faces, and faces, and faces: I see them, and complain not, and am content with all . . . The Lord advances, and yet advances; Always the shadow in front — always the reached hand bringing up the laggards. Out of this face emerge banners and horses — O superb! I see what is coming; I see the high pioneer — caps — I see the staves of runners clearing the way, I hear victorious drums.

Let's play Global Thermonuclear War!!

"No I am not Dolly's sister!"

What do you mean — Brillo Pad!!

Could I have some help please?

This face is a life-boat; This is the face commanding and bearded, it asks no odds for the rest; This face is flavored fruit, ready for eating; This face of a healthy honest boy is the programme of all good. These faces bear testimony, slumbering or awake; They show their descent from the Master himself.

Arthur Fiedler eat your heart out!!

Today we'll start a new life
And we'll say our last good-byes
To all the friends we've grown to love
With whom we've laughed and cried.

Remembering the fun and laughter
The problems and our fears
And watching all our memories grow
Throughout our high school years.

The memories of the dances
And the new friends that we've met
Vacations, teachers, talking,
And exams we'd rather forget
Yes, high school days are precious but brief.
Where all your dreams come true.
It's not the end, but the beginning
Of a life we'll start anew.

Football

Nineteen eighty-three was a successful season for Head Coach Ken McPhee's Red Raider football team, posting a 5-4-1 record. But the record does not indicate the strength of the North team. With a few breaks here and there, this was a team with 8-2 potential.

The strength of this team was reflected in the Suburban League All-Star selections, as nine North Quincy players were selected. Tony Befera, Jack Bolster, Nick Gelsomini, Mike Gill, Steve Hogan, Kevin Kelly, Jim Kennedy, Jerry Martin, and Jim McNamara, all seniors, were named to the team.

The season opened with two losses for North Quincy. The Raiders were caught off-guard at Milton, and met Brockton the following week. The big play won the game for Brockton, but NQ countered with their own big play, as Steve Kelly ran the opening kick off of the second half 90 yards for North's only score in the 31-6 loss.

Nick Gelsomini kicked a 32 yard field goal with less than a minute to play to cap a ten point North comeback to defeat Newton North 10-8.

After a 26-0 victory over Cambridge, the toughest loss of the season came at the hands of Weymouth North. NQ scored two touchdowns by Jim McNamara and Steve Kelly in the final three minutes to take a 20-18 lead, only to have Weymouth run the ensuing kick off 70 yards for the winning score in the final 20 seconds.

North bounced back from a tough 12-7 loss at Waltham to roll over Brookline, 40-0. The Red Raider running attack was in full stride, as the team amassed 308 yards rushing. Scott Messina accounted for 107 yards and one touchdown.

North Quincy won their next two games over tough non-league foes. Somerville was defeated by a 14-6 score as Brian Ellis and Jack Bolster had the scores. The CM jinx was finally broken as North defeated Catholic Memorial 14-10 in a come from behind victory. Jim Kennedy caught a 31 yard TD pass from Steve Hogan, and Hogan rushed 12 yards for the winning score.

North carried a 5-4 record into the tilt with Quincy on Thanksgiving morning. Neither team could get their offenses cranked up, resulting in a 0-0 tie, the first tie since 1940. The key play for North was made by linebacker Kevin Kelly, as he nailed Quincy's Mike Notarangelo in the backfield for a two yard loss on a third down and two play from the North Quincy 11 yard line, stopping what looked to be a fourth quarter TD by Quincy.

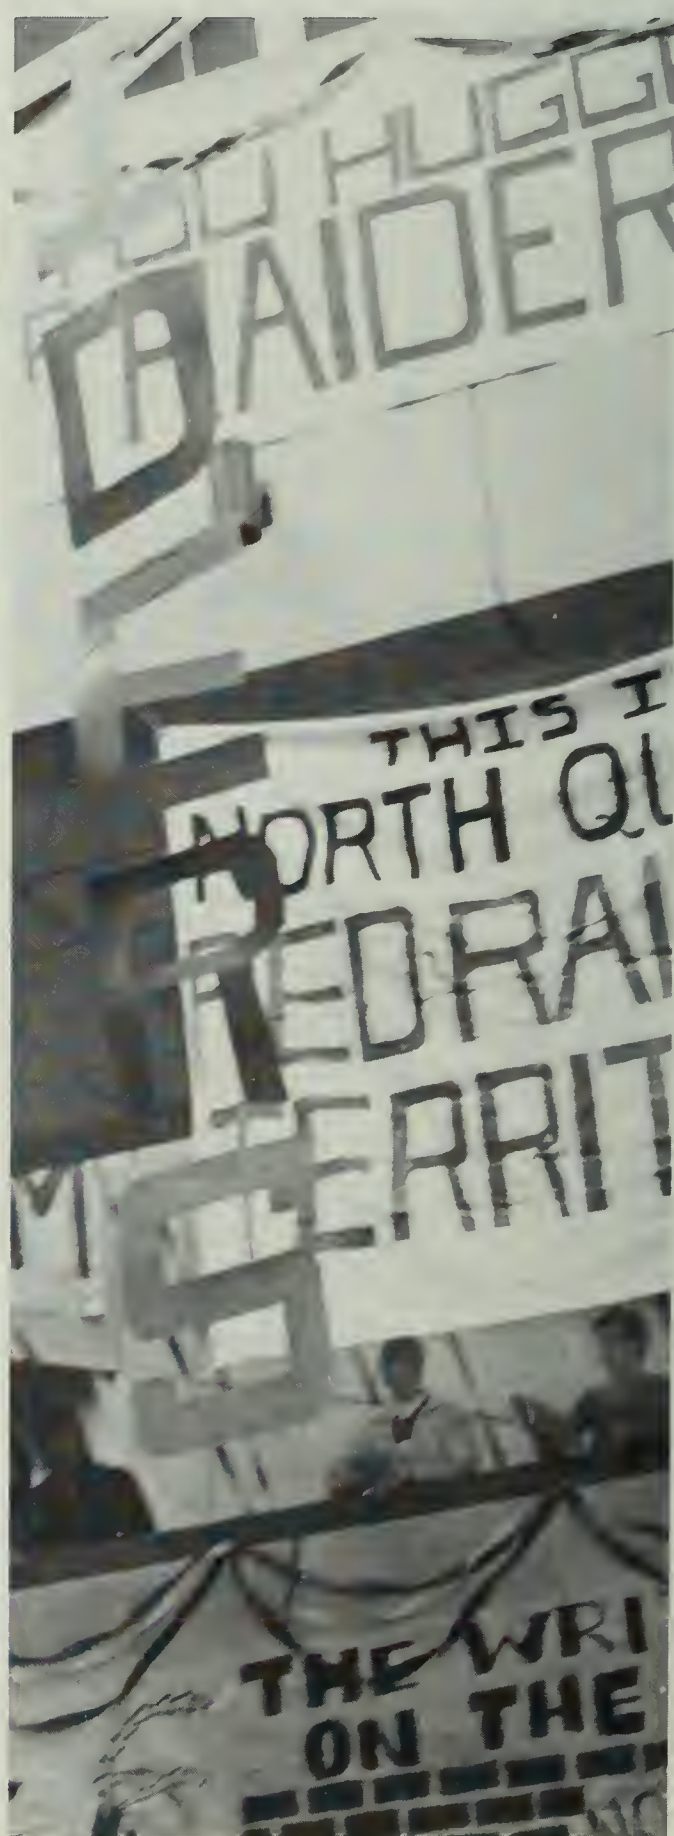

R a l l y

ON NORTH QUINCY, ON NORTH QUINCY . . .

The Thanksgiving rally that was put on this year was one of the best ones yet. The seniors proved that they can eat pie the fastest, decorate the best, and shout the loudest.

With the help of Mr. Chrisom, Mrs. Feeney, Dr. Yacubian, Mr. and Mrs. Yakoo (Danny Ceurvels and Judy White) and Grandpa Yakoo (Miss Schields), the rally turned out to be a great success and lots of fun. One of the highlights of the rally was the football skit. All the girls did fantastic jobs impersonating the football players and their various personalities. The band and cheerleaders kept everyone on their feet throughout the rally with lively music and exciting cheers.

Although all the classes put forth great efforts in all the contests, the seniors turned out to be the winners. Since the Class of "84" is the most spirited class in the school, nobody would expect anything less.

On North Quincy, On North Quincy
 Fight right through that line.
 Don't despair, show the colors you wear
 And keep on marching, keep on marching
 On North Quincy, On North Quincy
 As those Raiders go.
 Onward and fight, fight, fight.
 North Quincy High
 Rah for North Quincy
 We're here to win
 Onward to victory
 Fight and they'll give in, Rah Rah Rah
 On to the scoreboard
 Never say die
 Onward and fight, fight, fight

Soccer Work Pays Off

A combination of seasoned veterans, natural talent and great self-motivation helped North to a 10-2-5 record and qualify for the EMass Division I South Sectional soccer tournament for the first time since 1976.

Coach Paul Bregoli's squad began the season with impressive wins over non-league foes Sharon and Barnstable. Early season injuries to tri-captain and Suburban League All-Star David Brown and Mike Cocce were overcome due to the fine play of senior tri-captains and league all-stars Terry Stark and Jaime Paz along with senior Joe LaPierre and junior Pat Marcham. Also playing well for North were seniors: John Joseph, Steve Golden, Chris Archer, Dave Blaton, Brian Bresnahan, Craig Orrock, Mike Walsh.

1. "Hurry up Brian."
2. "When Briggy talks . . ."

After a 1-1 tie with Brockton and a 3-1 loss to Newton North, the Red Raiders ran off a string of five victories and a tie. All the victories were shutouts by goalie Mark Hubbard. The Suburban League All-Star finished the season with 8 shutouts and a 0.76 goals against average.

After embarrassing Quincy 7-0 on the strength of 3 goals by league all-star Nunzio Carbone, North qualified by defeating Oliver Ames 5-2 with senior wing Andy Curtis scoring 4 goals.

North was disappointed in the EMass Tournament losing to Falmouth 2-0. However, the loss did nothing to diminish the remarkable accomplishments of this year's team. It was truly a year to remember.

Soccer

1983 proved to be a difficult year for the girls soccer team. The team's record for this year was 4-6-2.

Seniors Mary Holleran and Liz Toland were Co-Captains.

Although the team did not have a successful season, the following players had outstanding performances and were named Suburban League All-Stars; Mary Holleran, Shelia Graham and Karen.

N.Q. opened the season against archrival Brockton and with a good team effort came away with a victory.

Newton North proved too strong for N.Q. and the girls went down with a score of 6-0.

After being down by two goals at halftime N.Q. came back with goals from Holleran, Hughes and Holleran, thus registering their first win.

Goals by freshman Tricia Grant and Senior forward Liz Toland enabled North to beat cross town rival Quincy 2-1.

A strong Waltham team shut out North by a 2-0 score.

Brookline edged N.Q. on a freak goal in the last quarter 1-0.

Brockton-0 North Quincy-0 another scoreless tie sparked by great goal tending by Shelia Graham.

Newton North eventual league champ was forced to the limit before squeaking away a 1-0 score.

Mary Holleran's hat trick sparked a 3-0 N.Q. win over Cambridge.

Quincy fell to North Quincy as Holleran scored another hat trick. 4-1.

After battling to a 4-4-2 record and looking forward to a winning season, N.Q. was shut out in our last two games by Waltham and Brookline to finish out the season 4-6-2.

Rebuilding For Success

In a rebuilding year, the North Quincy Girls' Volleyball team finished with a six win, ten loss record. Some of their highlights included an upset win over Boston Latin plus two wins against Waltham and Newton North.

The combined efforts of all the players improved the team's performance. Ann Dougan was selected to the Suburban League Coaches' All-Star Team as well as being voted the most valuable player on the N.Q. High team. Co-Captain Sandra Whitehouse was voted the best setter on the team, while Co-Captain Ann Sousa was elected the best defensive player.

The volleyball season was both interesting and exciting. It will be remembered as a building block for future success.

Girls Cross Country

There's No Catching the Cross Country Team

In keeping with the latest tradition to begin at North, the Girls' Cross Country team, coached by Lou Tozzi and Micheal Burke, finished with an undefeated streak that began back in October of 1981! Not only did the girls earn the Suburban League Championship, but also they became the Eastern Massachusetts Division I Champions once again.

With the leadership of Captain Tracey Corrigan and senior Alice Reilly the team had many accomplishments. Mary Anne Kelleher was a Suburban League Champion along with Tricia Barrett. Both were members of the Patriot Ledger All Scholastic Girls Cross Country Team.

There will be no forgetting this team, its records, or its many achievements. Memories of this Golden Team will come for years to come.

Boys Cross Country

The Boys Cross Country Team rebounded this year from last year's lack luster showing. With four seniors: Jeff Stryker, Tom Kearney, Arthur Collings and Bill Donnelly, leading the line-up and several underclassmen, the team went on to finish with a very respectable record. This is all considering the size of the team. All the boys showed commitment and determination to help generate a great team spirit. Hopefully the renewed interest in cross country will continue so that North will be more competitive in this area.

The team would like to extend their gratitude to Coach Bart Petracca for all his devotion to the sport.

Wrestling

The 1983-84 North Quincy High School Wrestling Team, coached by Mr. Steve Joyce and Assistant coach Mr. Butch Montoya, were looking to be a much improved team over the last few years. Being led by tri-captains Terry Stark, Jim White and Rich Ragusa, the team worked very hard to defeat such power houses as Needham, Marshfield and almost beat top-ranked Brockton. During the season many first and second year seniors proved that they could handle a spot on the varsity level, such as John Webb, Steve Golden, Chris Gizelis and junior Al Dibella. The strength was still with our wrestlers who had depth in the sport, such as John Palma, Stark, Ragusa and White.

Girl's Basketball

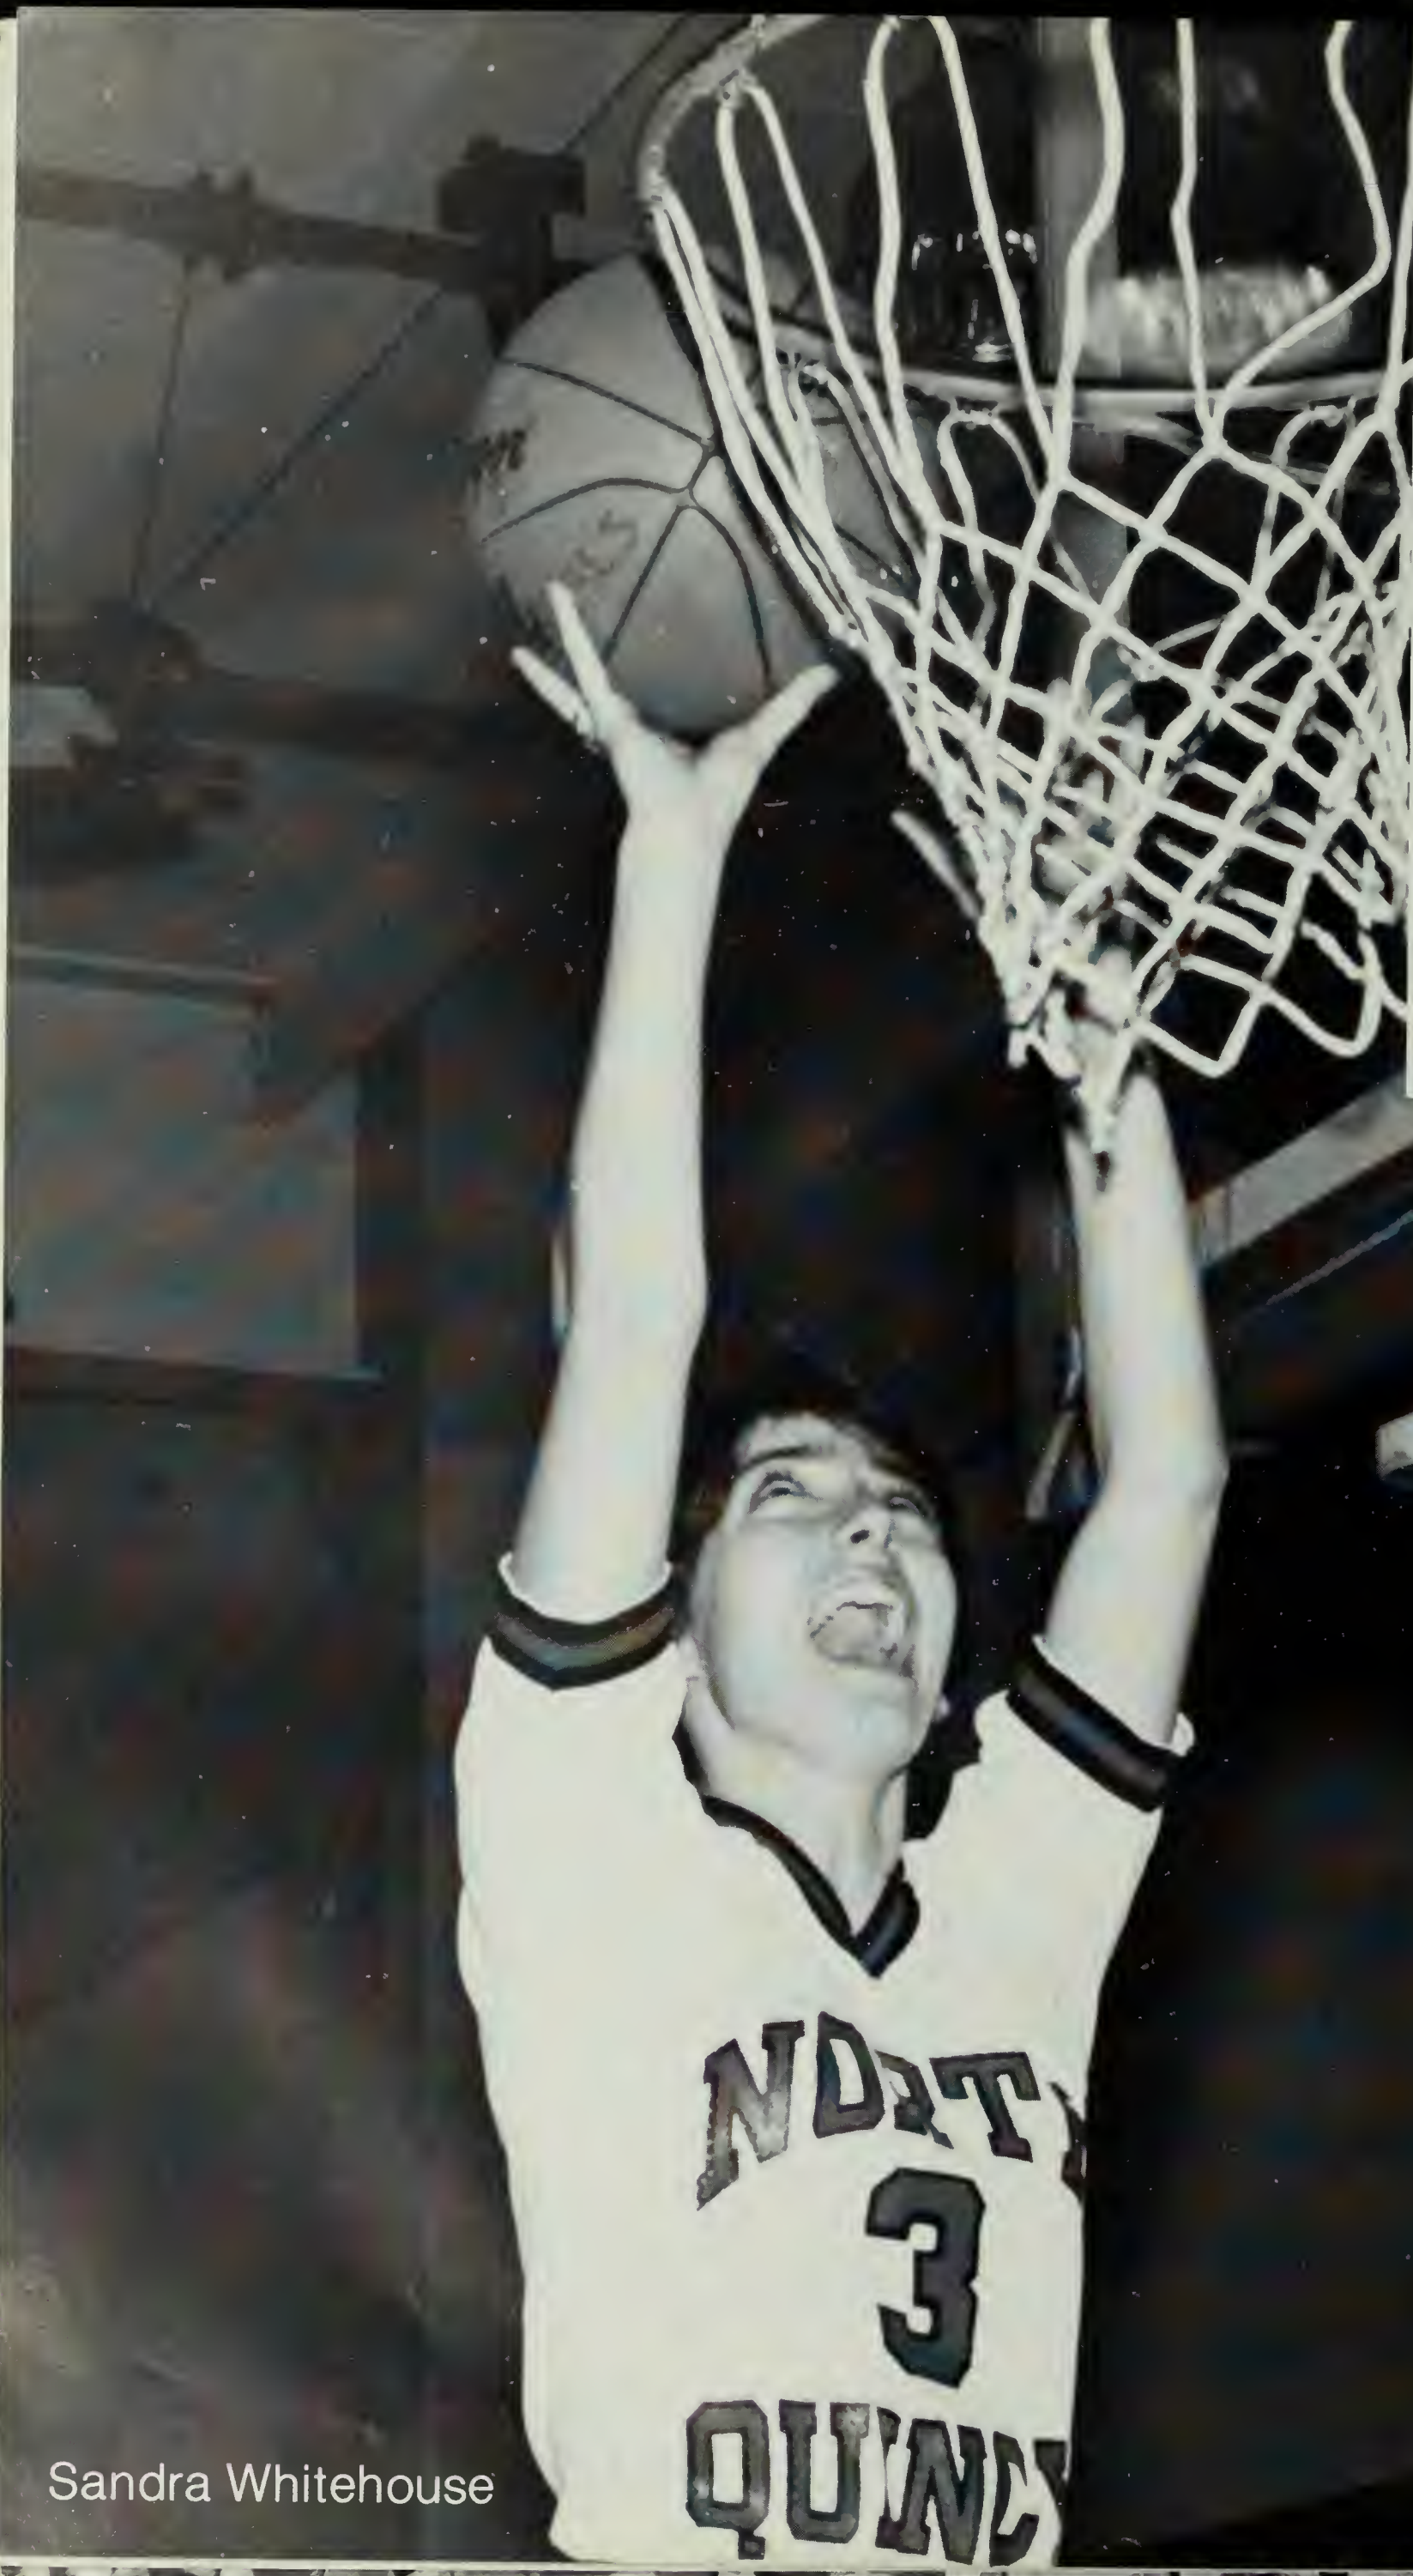

Although North's girl's basketball team never quite played up to its potential, the Red Raiders got some strong individual play, particularly from senior tri-captains Debbie Cavanaugh, Chris Donovan and Mary Holleran. Also making significant contributions were seniors Karen Koski, Linda Feeney and Sandra Whitehouse.

Highlights of the season included wins over Dorchester, Natick, Newton North and Quincy. In the first Quincy game, Holleran scored a career high 22 points in a great all-around performance. She also was selected as a Suburban League All-Star.

Despite losing some quality seniors, things look bright for the future as sophomores, Karen Runge, Jean Welby and Eileen Warren along with junior Ann Duggan all was extensive varsity action all year.

Girl's Track

The NQHS Girl's Winter Track team enjoyed an outstanding season and was a Suburban League title contender, and perennial State Meet championship challenger. The great tradition of past seasons continued as the team's 4 year record of 34-1-1 further improved. The team battled Cambridge for the league title, and Falmouth for the State Championship. The Raiderettes rivalry with Falmouth for state supremacy has become the highlight of recent indoor track seasons.

Music

Choir

The North Quincy High School Choir was very active throughout the school year. As in the past, this year's Choir was a large group with many talented singers. They performed many diverse types of music, including classical, religious and contemporary. The Choir performed a Christmas Concert in December to an almost sold out audience. Other performances during the year included: a wreath-laying ceremony at the President's Church in Quincy, the Inauguration of city officials, and a Spring Concert. Also, a large group of chosen members participated in the Southeast District Music Festival, where they were among the most talented high school singers in Massachusetts. In September, students auditioned for Mr. Carbonneau and the most talented became members of the Madrigals. The Madrigals rehearsed and performed separate music at the concerts, and they carolled through the school for Christmas. Known throughout Quincy as the city's most talented Choir, they enjoyed an active and successful year.

Band

The N.Q.H.S. Band is made up of forty-three students with almost half being freshmen. Many hours have been spent outside of school preparing marching routines for the Saturday football games and parades. Other performances have been Rallies, Christmas Festival Parade, Christmas concerts, St. Patrick's Day Parade in Brockton, Pops Concert, Spring Concert and a concert at Sea World in Orlando, Florida during the April vacation. Some of our goals we are striving for are to increase in size and to continually improve our sound.

French Club

Vive Le Club de Français!

The French Club had a very exciting and eventful year. The French Club Christmas Party kicked off the year. The French custom of having Père Noël (Santa Claus) put candy in shoes was practiced this year. Leaving their shoes outside of the classroom doors, students waited for Père Noël to fill their shoes with candy. Members of the French Club also went to the French Library in Boston to help host a Christmas party. Some

members had the unique experience of hosting students from Périgeux, France in their own homes. During February vacation, the members headed to Quebec for a thrilling trip. The Mardi Gras celebration at the French Library was another exciting occasion that the French Club participated in. Ann La Chéré, a native French woman, spoke at North as a guest speaker for the French Club. The year was wrapped up with French Club awards. Outstanding seniors in the fourth year class, students who received the highest scores on the National French Exam, outstanding student tutors, and students who were most involved in the club all received awards of recognition. The French Club members definitely had an enriching and rewarding year.

Spanish Club

Activities of the Spanish Club this year have included: Hosting the Spanish Dance theatre Ramon De Los Reyes, Spanish Christmas Fiesta, field trips to Berkley theatre in Boston, a Spanish movie, the Museum of Fine Arts, a

Spanish comedy, pinata making, fund-raising for club activities, a tour of the Pan-American Society in Boston, hosting of the Foreign Language Honor Society's Induction Ceremony, a farewell party for Amity Aide Luis Muzquiz, and cooking demonstrations on making ethnic foods.

NQHS AFJROTC PROGRAM

The purpose of the AFJROTC program is to familiarize high school students with the history, customs, and courtesies of the Air Force.

One commonly asked question is what does a cadet do in AFJROTC. The answer is an educational curriculum that is divided into two categories, each taught by an instructor.

The first category is academics which is taught by an aerospace science instructor. The ASI teaches the military history of the Air Force through the use of textbooks.

The second category is leadership customs and courtesies of the military which is taught by the Asst. aerospace instructor. The AASI uses textbooks also but relies a good amount on the senior cadets to teach the younger cadets about marching, drilling, and the proper way to wear the uniform.

The AFJROTC program isn't all book work and marching. There are enjoyable activities such as training encampments and dances.

There are numerous benefits for being in the AFJROTC Program such as learning self discipline, how to be a leader, and how to accept responsibility. Also for successful completion of two years of AFJROTC a cadet can enter the regular military with advanced rank and pay.

Over all the time a cadet spends in the AFJROTC Program can be a educational and enjoyable experience.

In Memory of

Mr. Lyons

Mr. Gerald J. Lyons joins the litany of former teachers at North Quincy High School, who have devoted their lives and talents to the benefit of young adults.

A scholar in the truest sense of the word, Mr. Lyons not only exhibited proficiency in the subject of mathematics, but also displayed an appreciation of the arts, especially music.

Aside from his teaching responsibilities, Mr. Lyons rendered his services further to students, by being Head Track Coach, and Advisor to the National Honor Society and Student Council.

In addition, he proved to be an invaluable asset to North Quincy High School by serving as Department Head of the Math Department and, on two separate occasions, acted as Assistant Principal.

Truly, this was a remarkable man who will live on in the hearts of the students, staff and the community of North Quincy.

His memory will be cherished forever.

Tracy Duclos

This poem is dedicated to Tracy Duclos and her friend Bonnie MacMurdo. Tracy would have been graduating this year with us if not for an unfortunate accident. Both girls died on the night of February 18, 1981. All who were lucky enough to know Tracy remember her smile and miss her deeply. It was a senseless tragedy to lose such a friend.

... When we were together yesterday
I never thought it true,
That it would be the last time,
I would ever be with you
We joked and we laughed,
Until we parted our way,
But the thought never came to mind,
That apart we would stay
I dream about our friendship,
All the good times that we had,
And then I realize you're really gone
And my happy dreams became sad
I learned a great lesson
As I sit here in sorrow
Live for today, not for tomorrow . . .

Thanks to:

Mrs. Davis

The Class of 1984 would like to express its thanks for the many hours Mrs. Gloria Davis spent this past year helping with college applications, schedules and report cards. As the only secretary

in the office, Mrs. Davis handled a mountain of paperwork, including transcripts, mailing on time, and

lost of time. She could be seen typing away at her typewriter hour after hour. Her patience and assistance was appreciated by the entire class.

Mrs. Poutree

The Class of 1984 would like to thank Mrs. Dorothy Poutree for the contributions she has made to North over the years. Her devotion to the students of North and her hard work for the school was greatly appreciated.

1984

Congratulations to the Class of 1984

Yesterday a child came out to wander, caught a dragonfly inside a jar,
Fearful when the sky was full of thunder, Tearful at the falling of a star.

Refrain;

And the seasons they go round and round, And the painted ponies go up and down,
We're captured on a carousel of time. We can't return, We can only look
behind from where we came, And go round, and round, and round in the circle game.

Then the child moved ten times round the seasons, skated over ten clear frozen streams.
Words like "When you're older" must appease him, and promises of "Someday" make his dreams.

Repeat Refrain

Sixteen springs and sixteen summers gone now, cartwheels turn to car wheels through the town,
And they tell him "take your time, it won't be long now, till you drag your feet to slow
the circle down."

Repeat Refrain

So the years spin by, and now the boy is twenty, though his dreams have lost some
grandeur coming true, there'll be new dreams, maybe better dreams and plenty,
before the last revolving year is through

Repeat Refrain

The Light at the End of the Tunnel

The 1983-84 Hockey Team achieved a first at N.Q.H.S.:

First tournament team since 1957
First Hockey Team to win a tourney game beat Saugus 6-2

Season Record 13-5
Final Record 14-6

The team won 9 of last 10 games.

Congratulations to Captains Scott Messina, Keith Smith, Coaches Kevin Jago, Rick Hutchins, Rich Avery.

We will always remember the thrill of defeating Brockton and the fans spilling on to the ice — also the thrill of beating Saugus at Salem State.
